GUIDELINES FOR AUTHOR

General Instructions

Papers must be submitted only through the submission page on the conference website. Please check that your file is complete with the following sections: title, authors, affiliations, abstract, keynotes and references.

Acceptable File Formats

Submission templates are available in .docs, .doc and .odt format. Other file formats are not acceptable and will not be processed.

Paper Layout

Prepare your work in A4 portrait size only (210 mm and 297 mm). Set margins to 2,5 cm and paragraph spacing to 6pt after. Please do not include page numbers, headers, footers, images or tables.

Sections Style

Title of work → Arial 18 Bold/Centered - Capitalize each letter.

Authors → Arial 12/Centered - Listed by surname and name initial, separated by commas. Please use superscript numbers to link affiliations.

Affiliations → Arial 11/Centered - Include only organization, separated by commas. Affiliations should be preceded by superscript numbers corresponding to the authors.

Corresponding Author → Arial 11/Centered - Only insert email address and use the asterisk (*) symbol to link the author.
Add 2 blank lines after this section

Abstract → Arial 12/Justified Text, 1.5 line spacing - Maximum 300 words.

Keywords → Arial 12/Justified Text. Max 5 words
Add a page break after this section.

References → Arial 12/Justified Text. Publication Title in Italic style. Enumerated as follows [1., 2., 3.,]
Ex. Brosofske K.D., Cleland D.T. & Saunders S.C. (2007), *Factors influencing modern wildfire occurrence in the Mark Twain National Forest*, Missouri, Southern Journal of Applied Forestry, No. 31, pp. 73-84.

Info

For questions on paper guidelines, please contact the Scientific Secretariat as indicated on the conference website at scientific@rome2015.it.
